

**COLOR AND CUT-OUT YOUR OWN
DOOR-HANGER AND DECORATIONS!**

Color and cut-out the door hanger (along the grey lines) and make sure to cut along the dashed lines as well. Once finished, hang it on the door knob!

The 3"x3" cut-outs can be used like a sticker (just add tape or glue) or you can use a hole punch and some string or ribbon to create a wall-hanging!

You're so
FINTASTIC!
